It Is Quality

that makes satisfactory Clothing for men. Advertising may make the first sale—satisfaction makes the customer come back for more. It is what you put into Men's Clothing—goods, work, knowledge of style—not what you say about it, that makes its worth. Beginning with all wool materials, carefully selected for excellence of design and fast coloring, we put in expert tailoring up to the very last notch that the selling price of the Clothing is able to stand. The way the collars are made to lie close to the shirt collar, the way the shoulders and chest are shaped, demand hand work and plenty of it. All the detail work of the custom tailor is found in our ready-to-wear garments, and a large variety of the newest colorings and patterns from which to make a choice selection is here.

MEDICAL SOCIETY ELECTS OFFICERS

Dr. E. T. Brady, of Abingdon, Chosen as the New President.

PURSE FOR DR. EDWARDS

Physicians Show Their Great Esteem for Their Secretary.

[Special to The Times-Dispatch.] ROANOKE, VA., October 7.—The Virginia State Medical Society elected officers to-day, and decided to hold the next annual meeting in Norfolk. An interesting incident of the afternoon session was the presentation of a purse of \$1,000 in gold to Dr. Landon Edwards, the secretary. Dr. Paulus Irving, of Richmond, feelingly eulogized without giving the name of one who had done so much for the society, and called on the meeting to name him. The audience then stood, and with great enthusiasm shouted "Edwards!" He then handed the purse to Dr. Edwards.

wards, who was so deeply touched that he could only briefly express his appreciation. The purse was made up of \$1 contributions from the members. Officers were elected as follows: President, Dr. E. T. Brady, Abingdon; First Vice-President, Dr. W. A. Flecker, of Hampton; Second Vice-President, Dr. James A. Irvin, of Danville; Third Vice-President, Dr. R. H. White, of the University of Virginia; Secretary, Dr. Landon B. Edwards, of Richmond; Treasurer, Dr. R. M. Slaughter, of the Theological Seminary; Judiciary Committee—Drs. Hugh N. Taylor, C. P. St. Clair, Leigh Buckner, C. T. Parrish, Hugh McGuire and Reid White. Legislative and membership committee unchanged. Delegates to the American Medical Association—Drs. J. S. Horsley, T. C. Pfrebaugh, W. E. Anderson. Neurological committee—Drs. R. H. Latane, S. T. A. Kent and J. W. Aylor. In the board of medical examiners all the long-term members, the "veterans," were dropped except Dr. John G. Rennie, of Petersburg, and Dr. R. H. Martin, of Lynchburg. The changes were as follows: First District, Dr. J. L. Barney, Fredericksburg; Third District, Dr. J. E. Wright, of Brook Hill; Fourth District, Dr. O. C. Wright, of Jarratt; Sixth District, Dr. W. H. Dew, of Lynchburg; Seventh District, Dr. P. W. Boyd, of Winchester; Tenth District, Dr. Robert Glasgow, of Lexington. District councilors—First, Dr. C. P. Jones, of Newport News; Second, Dr. E. E. Field, of Norfolk; Third, Dr. A. L. Gray, of Richmond; Fourth, Dr. S. A. Hinton, of Petersburg; Fifth, Dr. J. M. Shackelford, of Martinsville; Sixth, Dr. S. S. Gale, of Roanoke; Seventh, Dr. W. P. McGuire, of Winchester; Eighth, Dr. A. T. C. Quirk, of Falmouth; Ninth, Dr. J. T. Graham, of Wytheville; Tenth, Dr. S. H. Burton, of Parnassus. Councilors at large—Dr. Edward Mo-

Guire, of Richmond; Dr. R. W. Fry, of Roanoke; Dr. Stephen Harshberger, of Chatham; Dr. M. M. Pearson, of Bristol, and Dr. G. J. Tompkins, of Lynchburg. Committee to report amendment to the constitution providing for fifteen councilors—Drs. W. T. Drewry, Stuart McGuire and L. B. Edwards. The dues were increased from \$2 to \$3 per annum. A resolution was passed endorsing the Senate bill to increase the salary of the United States Health Board and marine surgeons. The morning session was taken up with reading papers on typhoid fever and tuberculosis. One of the best papers was by Dr. Parker, of Richmond. The officers will be installed to-morrow, and the meeting will adjourn.

FOR GOVERNMENT BY COMMISSION

Representatives From Six Cities and Two Towns Meet in Staunton.

TO MEET HERE IN JANUARY Delegates From Cities Will Then Formulate Plan to Present Legislature.

[Special to The Times-Dispatch.] STAUNTON, VA., October 7.—A meeting was held at the Hotel Beverley this afternoon in the interest of municipal government in Virginia by commission. There were delegates present from municipal or commercial bodies representing Richmond, Norfolk, Portsmouth, Roanoke, Lynchburg and Staunton, among the cities, and Suffolk and Waynesboro among the towns. The meeting lasted several hours, and the subject was thoroughly threshed out. John W. Craddock, of Lynchburg, presided, and W. T. Stead, Norfolk's city clerk, acted as secretary. Among the speakers were Ira T. Holt, Leo Judson and Thomas S. Purdie, of Norfolk, the last named a member of the Board of Control; Joel H. Cutchins, Mayor of Roanoke; John A. Cutchins, member of Richmond Council; Walter E. Addison, editor of Lynchburg News; R. W. Withers, of Suffolk; and Hugh C. Braxton and R. D. Haislip, of Staunton. Resolutions were adopted looking to a general meeting to be held in Richmond January 7 next to formulate a request to the Legislature to submit a constitutional amendment, giving to the cities a greater latitude in the form of their government. Committees of two from each city, one from the municipal bodies and one from the chief commercial body, are to meet in Richmond January 6 to formulate a plan to submit the next day to the general body, which is to consist of as many members from each city as the city may determine, part representing the municipality and part the commercial organizations.

To Represent Lynchburg. [Special to The Times-Dispatch.] LYNCHBURG, VA., October 7.—The following delegation will represent Lynchburg at the meeting of the Virginia League of Municipalities, convened at Staunton this afternoon: John W. Craddock, R. C. Quinn, W. E. Addison, E. H. Almond, William King, Jr., John P. Pettyjohn and A. J. Long. These men go to discuss the government by commission scheme.

MANY DELEGATES REACH STAUNTON

One Hundred and Twenty-five Attend the Convention of Municipalities.

[Special to The Times-Dispatch.] STAUNTON, VA., October 7.—About 125 delegates have arrived here, or are expected to arrive, to attend the fourth annual convention of the League of Virginia Municipalities. Staunton is extending a cordial welcome to the body. Beautiful souvenirs, outlining Staunton's plan of municipal government through a general manager, are being distributed among the visitors. The opening meeting was held in the evening at the Theatre, the delegates being welcomed by Mayor H. H. Wayt, and response made by R. W. Withers, of Suffolk. Mr. Charles J. Bullock, professor of economics in Harvard University and member of the Boston Chamber of Commerce Taxation Committee, spoke on "The Separation of the Source of State and Local Revenue." Dr. William M. Thornton, of the University of Virginia, made an address on "Education," and Mr. W. H. Glasgow, of Chicago, on "Uniform Municipal Accounting." Judge William Hodges Mann, Democratic nominee for Governor of Virginia, also made an address. The business meeting begins to-morrow.

REACH NO AGREEMENT. No Verdict in Case of Angelo Hamilton, Charged With Murder. [Special to The Times-Dispatch.] LYNCHBURG, VA., October 7.—Angelo S. Hamilton, a cotton-mill worker, was tried in the Corporation Court here to-day for the murder of Mrs. Sarah Hix, a young woman, the result being a hung jury. At 11:15 the jury were discharged. It is reported that they were unable to reach a verdict in the first degree and one for second degree. Hamilton admitted on the witness stand that he fired the shots which killed the woman, but he claimed he had no idea of striking her, and that he was shooting at random, because he was under the influence of liquor. The shooting occurred on June 11. Two shots struck the woman, one of them severing her spinal chord, and this caused her death on July 31.

DR. NELMS IN LYNCHBURG. Promises St. Paul's Vestry to Give Answer Next Week.

[Special to The Times-Dispatch.] LYNCHBURG, VA., October 7.—Dr. J. H. Henning Nelson, of Washington, who was recently called to St. Paul's Church, of this city, was here to-night in conference with the vestry, and promised to give a definite answer next week.

OLIVER REFUSES CREDIT

Declares He Knows Nothing of Gift to Teachers' Fund. PITTSBURGH, PA., October 7.—Senator George T. Oliver has returned to his home here, and has given a categorical denial of the widely circulated statement that he has given \$250,000 to a pension fund for teachers of Greater Pittsburgh, as announced last week. He says he made no gift to this fund and did not know that any gift was given. He also stated that he has no knowledge of the matter, and that the statement is a fabrication. Senator Oliver makes this statement in justice to the generous donor, and also to himself, since he does not wish to be given credit that is not due him.

"WIRELESS" FOR 3,300 MILES

Army Transport Buford Establishes Record. HONOLULU, October 7.—The army transport Buford, which arrived from Manila yesterday, reports that wireless communication was established with the Pacific coast before the vessel made this port. This means that messages were sent that were returned in 100 miles. The Buford is supposed to have the most powerful wireless equipment afloat in the Pacific Ocean.

Postmaster in Trouble. CINCINNATI, O., October 7.—An indictment charging embezzlement of post-office funds was returned to-day against John B. Strobel, postmaster at Trinton, O., by the Federal grand jury for the Southern District of Ohio. Mr. Strobel is prominent in politics in southwestern Ohio.

CENTRAL STATE HOSPITAL REPORT

Treats in Full of Operations of Institution During Year.

MANY CASES OF PELLAGRA Eight Proved Fatal During the Year—Hospital in Crowded Condition.

[Special to The Times-Dispatch.] PETERSBURG, VA., October 7.—The special board of directors of the Central State Hospital yesterday afternoon received and approved the annual report of Dr. William F. Drewry, superintendent of the hospital. The report treats in full of the operations of the institution during the fiscal year just ended and of its needs in the early future for the proper care and accommodation of the annually increasing number of the colored insane in this State. The report shows that during the past fiscal year 1,716 patients were under the care of the institution, including 451 received during the year; that 184 patients were discharged and 181 died, leaving 1,575 at the close of the year. There are no colored insane in the State. An interesting feature of the report is its reference to the new disease—pellagra. There were fourteen cases of this disease among the patients, of which eight proved fatal. The disease is characterized by gastro-intestinal disturbance, nervous symptoms and a peculiar skin affection of the face, hands and feet. The patient is at first melancholy and then becomes demented.

There are several cases of criminal insanity in the hospital, and it is urged that separate provision be made for them. Many improvements have been made to the hospital, among them a large cottage for the special care of tuberculous patients. This building, now nearly completed, will be occupied by laborers among the inmates, under proper supervision.

While the medical service is of the highest order, it is recommended that the hospital employ a consulting specialist in cases of diseases of the ear, nose and throat, and also a consulting dentist. Furthermore, it is recommended that after-care associations be formed throughout the State, with the view of aiding patients who have been discharged from the various hospitals, in order to prevent, if possible, any recurrence of mental troubles.

The per capita cost of patients for the year was \$7.60, the lowest in the history of the hospital. The value of the products of the farm was \$20,500, and the cost of production about \$8,500. The hospital is in a crowded condition, and additions are needed to relieve this condition. The needs of the institution in this respect will be brought to the attention of the next Legislature.

Death of a Veteran. James Craig Riddle, a highly esteemed citizen, died this morning at his home on Market Street after a protracted illness. Mr. Riddle was born in Petersburg February 14, 1834, and was therefore in his seventy-sixth year. For a great many years he was actively engaged in business here. He served throughout the war in the Confederate Army, attaining the rank of captain. At the close of the war he was a prisoner at Point Lookout. In 1858 Mr. Riddle was married to Miss Josephine O. Melville, who died in 1882. He is survived by four daughters—Mrs. Ferdinand Schwenck and Misses Martha, Jennie and Anne Riddle—all of this city. The funeral will take place from the residence at 11 o'clock to-morrow. Secretary Edwin L. Quarles, of the

Family Cough Syrup

Cures Any Cough in Five Hours. NEW PRESCRIPTION HERE. Here is given the most effective cough prescription known to the medical world. It is a mild laxative, too, and this is what a body needs when suffering with cough and cold on the lungs. A cough or cold induces poison in the system, causing inflammation and congestion. Nearly all cough syrups relieve, but make the trouble worse by their cloying effects. This prescription not only relieves quickly, but it cures any cough that is curable. Get one-half ounce fluid with cherry bark, one ounce compound essence cardiol and three ounces syrup white pine compound. Mix in a bottle. Take for acute cough or bronchitis twenty drops every four hours for four hours. Then one-half to one teaspoonful three or four times daily. Give children less according to age. A few drops of this will cure and heal the throat and lungs of all but consumptives. Cut this out and give it to some friend who may need it to be saved from an early death by consumption.
